WDT2200

PORTABLE DATA COLLECTOR

Big Business Tools. Small Business Attitude.

The Wasp WDT2200 portable data collector is a lightweight, rugged mobile barcode scanning device designed to increase the efficiency and accuracy of stock tracking.

The WDT2200 delivers the flexibility you need. Easily connect to your PC to synchronize data from stock control applications including Wasp Inventory Control. Use the WDT2200 mobile device to scan and count stock on the go. Receive and pick inventory from stock, and synchronize the updated information to your PC. The WDT2200 is ideal for tracking stock at warehouses, light distribution centers, retail stores and mobile locations including installation trucks.

Enjoy the benefit of lower maintenance costs and reduced downtime with the WDT2200. Built to withstand multiple 4 foot drops to concrete and featuring an IP54 rating for protection against water and dust, the WDT2200 is designed to stand up to tough industrial environments.

The WDT2200 features an integrated laser scan engine for fast, accurate scanning. Data can also be entered using the WDT2200's 26-key alphanumeric keypad. The backlit monochromatic display provides perfect contrast for indoor scanning applications.

WDT2200 SERIES FEATURES

- ▶ Batch data collection
- ▶ Integrated laser scanner
- ▶ DOS-Compatible operating system
- ▶ Rechargeable Lithium-ion battery pack @3.7V, 900mAH
- ▶ Operates up to 10 hours on a single charge
- ▶ 26 keys, including alphanumeric and function keys
- ▶ 124 x 64 display (graphics mode), 8 x 20 or 4 x 12 display (text mode)
- ▶ Monochrome LED with backlight
- ▶ Rated IP54 for protection against rain and dust
- ▶ Operating temperature 32°F to 122°F (0°C to 50°C)
- ▶ Withstands multiple 4-foot (1.2 meter) drops to concrete

BENEFITS

- ▶ Lightweight, ergonomic design provides comfortable, easy use and increases productivity
- ▶ Rugged design stands up to light industrial applications and reduces downtime
- ▶ Integrated laser scanner improves efficiency
- ▶ Flexible data entry for a wide variety of applications – enter information using the keypad or by scanning barcodes
